CHEER FACTOR

Custom Sports Apparel

This warm-up is an example of coach involvement using a few of the 20 No-charge "custom" options. Featuring contrasting zippers, draw cords, cuffs and waistbands, with matching white pockets and hood with contrast royal blue pants (inseams to size) with side slit pant legs. This garment also features embroidery and tackle twill to give it that personalized touch.

This "custom" design includes an athletic style warm-up featuring a Red/Royal Blue fabric insert design, including hood, matching pockets, zipper, draw cords, cuffs and waistband. Color inserts in both jacket and pants with side slit leg and made to fit "custom" inseams with school personalization embroidery.

This "custom" design includes double detail jacket piping with pants made to length, including fabric leg insert and double piping that makes this one-of-a-kind warm-up really stand out.

Cheer Factor is a true "custom" manufacturer that can offer teams whatever design in warm-ups that they may be considering. There are no stock designs, allowing the coach, team captain or athletic director to be part of the design process in creating the warm-up they've always wanted for their team.

A unique look will be created based upon input and the company can even match or compliment existing school colors. There are both male and female designs, pant lengths to size in straight, flare and side slit. There are also four waistband choices, with tear-away and zipper designs also available. Sizes are Youth 4-14 and Adult XS-XXL.

Four warm/cool fabrics (Fortrel 10.5, 11.5 & 14.6 oz., Micro Fleece 11.5 oz., Wooley 14.5 oz. And Interlock 10.5 oz.) are offered in over 25 colors. There are jackets in Athletic or Mini Hoodie style, with full zip, 6" zip or comfort V neck, with or without hood, fold down or cadet collars with or without pockets as well. Some are no-charge options.

Team personalization to compliment the warm-up, including mascot, name, year, or studio logo in embroidery, twill or rhinestone, is available upon request.
